Department: ARBS Headquarters	Revision: Initial Release	Effective Date: 21 Feb 2017

We're excited to launch a new and more convenient way for Arkansas Boys State Delegates to register online. Below you will find the step by step process for Boys State registration along with various Frequently Asked Questions. If for some reason you still have questions please don't hesitate to contact the American Legion Department Headquarters at 501-375-1104.

**Here's how the new Online Registration Process Works:**

- Every high school across the state of Arkansas is signing up as a participating school online by accessing <https://registerstate.com/ar/boys>. We've asked them to sign-up on or before **February 28<sup>th</sup>** as a School Counselor. You do not have to login and register as a participating post. Our assumption is that all posts will participate at the same level as in previous years.
- The schools will begin their selection process for students to attend Arkansas Boys State. **This is a great time for you as a participating post to reconnect (via email or phone) with the schools you have traditionally worked with.**
  - If you are interested in supporting **additional students or schools** not previously supported please contact Lloyd Jackson at [Lloyd@Arkansasboysstate.com](mailto:Lloyd@Arkansasboysstate.com) or by phone at 870-403-2661.
- If you are a participating post that wants to retain application forms to stay in touch with the selected delegates and/or his parents, he will have the opportunity to print off his Registration Receipt. A Registration Receipt looks like this:

- Once the schools have selected their delegates they will be sharing their participation lists with you. This can be via email, handoff, or via US mail. (Whatever is most convenient)

**Question?** What does a Participation List look like?

**Here is an example→**

This will be what your partnering school will give you once he/she is finished recruiting students to attend. Our office will be looking for these from every single school. It will also include Alternate Delegates chosen. Schools are to provide this to you no later than **March 31<sup>st</sup>**. Some schools might give you this along with the delegates Order Confirmation. Only the participation lists need to be mailed to the department Headquarters. The Order confirmation is only for the posts to keep if you choose.

**Question?** What if I don't have 100% of the funds to send all selected delegates on the school list?

First, we would like for you to contact the school(s). There are many cases where the schools can support at least a portion of the delegates. Even if they cannot, they might be able to help you find another sponsor or local business. Individual donors can sponsor delegates to Boys State too. If you still cannot find any other supporting funds, we encourage you to call our American Legion Headquarters at 501-375-1104. Only after all local efforts have been made, we will look to seek out financial support. Ultimately we don't want a selected delegate to not attend Arkansas Boys State because of the registration fee.

7. Our office staff will verify all applications and required documentation online. Payment confirmations and registration confirmations will be sent electronically to the schools and individual delegates selected. If you have any questions about the delegates you've endorsed following your list submission, we encourage you to call our American Legion Headquarters at 501-375-1104.

**Question?** So what are the 3 primary milestones that I need to be aware of for Arkansas Boys State Registration?

We see 3 major milestones in this process:

1. **Feb 28<sup>th</sup>**: Deadline for Schools to register as a School Counselor. This allows us to know which Schools are participating
2. **March 31<sup>st</sup>**: Deadline for Schools to select their delegates & initially register online.
3. **May 1<sup>st</sup>**: Deadline to be registered as a delegate and paid by their sponsor.

If you have any specific questions related to the registration process in general please email **Craig DePew** at [Craig@ArkansasBoysState.com](mailto:Craig@ArkansasBoysState.com). He can also be reached via phone at **479-283-1609**.
